

*Statement of Qualifications Form
for construction of
Sidewalk and Street Tree Removal and Replacement*

Sidewalk Removal and Replacement

The City of Tualatin requires contractors to submit a Statement of Qualifications to demonstrate sufficient experience and capability. This form is required for any contractor that intends to perform sidewalk removal and replacement work on this project. Only contractors determined qualified by the City prior to Bid opening may perform this work.

SUBMITTAL DEADLINE: Submit this completed form by 2:00 p.m. (local time) on April 27, 2026, to Richard Contreras, Procurement & Contracts Administrator, via email at rcontreras@tualatin.gov.

Attach additional pages if needed. The City will post a list of prequalified contractors by 5:00 p.m. (local time) by May 1, 2026.

A. CONTRACTOR INFORMATION

Legal business name: _____

CCB registration number: _____

Business address: _____

City/State/ZIP: _____

Primary contact person: _____

Phone: _____ Email: _____

B. PROJECT EXPERIENCE

Provide at least two (2) projects completed within the last five (5) years demonstrating experience in sidewalk removal and replacement. Each project must include a minimum of \$60,000 in sidewalk removal and replacement work performed by the contractor (not by a subcontractor). If the sidewalk work was part of a larger contract, identify both the total contract amount and the approximate value of the sidewalk portion.

Project 1

- Project name: _____
- Location (City/State): _____
- Owner: _____
- Owner contact (name/phone/email): _____
- Description of sidewalk removal and replacement work performed: _____

- Contract amount: \$ _____
- Approximate value of sidewalk removal and replacement work: \$ _____
- Completion date (month/year): _____
- Did your firm directly perform the sidewalk work? ☐ Yes ☐ No

Project 2

- Project name: _____
- Location (City/State): _____
- Owner: _____
- Owner contact (name/phone/email): _____
- Description of sidewalk removal and replacement work performed:

- Contract amount: \$ _____
- Approximate value of sidewalk removal and replacement work: \$ _____
- Completion date (month/year): _____
- Did your firm directly perform the sidewalk work? ☐ Yes ☐ No

Project 3 (Optional, may be provided as a backup project)

- Project name: _____
- Location (City/State): _____
- Owner: _____
- Owner contact (name/phone/email): _____
- Description of sidewalk removal and replacement work performed:

- Contract amount: \$ _____
- Approximate value of sidewalk removal and replacement work: \$ _____
- Completion date (month/year): _____
- Did your firm directly perform the sidewalk work? ☐ Yes ☐ No

C. CREW CAPACITY

The contractor must demonstrate the ability to deploy at least two (2) sidewalk crews simultaneously. Each crew must include a minimum of four (4) workers (e.g., one foreman, one equipment operator, and two laborers, or equivalent). Describe how the contractor will meet this requirement:

Total number of sidewalk crews available to meet this requirement if awarded: _____

Are all crew members employees of the contractor? ☐ Yes ☐ No

If No, identify any staffing firms or labor sources used:

CERTIFICATION

The undersigned certifies that the information provided is true and accurate.

Contractor legal name: _____

Authorized signature: _____

Printed name of signatory: _____

Title: _____

Date: _____
