

KENTUCKY COMMUNITY AND TECHNICAL COLLEGE SYSTEM

REQUEST FOR PROPOSAL ADDENDUM

SOLICITAION NO.: RFP-0354
ADDENDUM NO.: 1
RFP ISSUE DATE: July 30, 2026
ADDENDUM DATE: August 18, 2026
OPENING DATE: **August 31, 2026 @ 4:00PM ET**

The following information is being provided in response to written questions submitted for this RFP:

- 1) I am inquiring about 45A.085, the aviation maintenance contract, and had some questions that I wanted to ask before the bid need to be submitted. I read in the contract that there will be one aircraft and it will either be a Skyhawk 172 or a Pipstrel Alpha training and just clarification, is the program leaning towards one or the other?
 - a. **Somerset Community College plans to use a Cessna 172 model at this time; however, they also plan to pursue the purchase of a Pipistrel Alpha trainer. The college may eventually have both models in their aviation program.**
- 2) When do we service at the KCTCS campus airport, will there be a hangar provided to do the maintenance so the mechanic can be in the shade or inside in the heat for the winter? If no hangar is provided, will the contractor be reimbursed for the use of the hangar?
 - a. **Somerset Community College has already procured the lease of a hangar at the Lake Cumberland Regional Airport. The successful Offeror mechanic(s) will be able to work inside when performing maintenance at the Somerset airport.**
- 3) KCTCS is revising section 15.F to remove the following statement:
~~Evidence of Errors and Omissions insurance of at least \$1 million in liability limit provided by a carrier acceptable to KCTCS.~~ This statement is not applicable to this solicitation. This will also not be part of the evaluation criteria in section 19.

Bidders must acknowledge receipt of this and any addenda either with solicitation or by separate letter or email prior to award of contract. If by separate letter, the following information should be placed in the lower left-hand corner of the envelope:
