Letter of Compliance – Topsoil Mix

This letter certifies that the Topsoil Mix supplied by Highway Fuel CO., for the PSU Buildings HH, KNGA, & PKWY Demolition Project, will consist of 70% Topsoil and 30% Compost. The topsoil and compost portions of blend are analyzed separately, and the organic matter content of the blended material meets the requirement of 6%.

If you have any questions or need further information, please contact me.

Sincerely,

Matt Quall
Operations Manager
